India is a huge nation taking pride in diversified culture, art, food, nature, commerce and lifestyle. The country is a religious melting pot that breathes spirituality, a land of innumerable contradictions and home to an aura of vintage simplicity. A land to be seen, experienced and felt.

Besides India, we specialize in organizing tours to Nepal & Bhutan. With our own fleet of luxury transport and a competent and efficient team to manage, we guarantee our "Guests" complete care from planning to fulfilment.

Mangalam Tours knows perfectly all the cities, towns, sites and monuments which you desire to visit. Hence, the expertise of Mangalam Tours in preparing a real "Tailor made" itinerary apart from being specialists of typical tours. We shall start with Rajasthan, the ancestral land of the Maharajas and the preferred destination of the tourists. From Rajasthan, the tourists frequently follow the route of North India, more precisely Uttar Pradesh, and Madhya Pradesh. South India is a totally different world.

The architectural splendours of the ancient dynasties of Tamil Nadu, the bounty of natural beauty of Kerala, the abundance of archeological treasures of Karnataka and the beautiful beaches of Goa with its colonial past, constitute the visit of South India.

We will not forget the Himalayan Kingdoms of Nepal and Bhutan and why not Ladakh with its isolated monasteries and the rare possibilites of trekking.

For all these magical destinations, Mangalam Tours can prepare an unforgettable tour for you !
